Membership Fees

Active Member: 1-year Rs 25 / month
or Rs 300 / year

Subscribing Member: 1-year Rs 500 / year

Corporate Member: 1-year Rs 2500 / year

Active Member:

Attends regular PCA meetings; takes part in other activities whenever possible (see below); helps with organization of meetings and activities as appropriate; contributes to the bi-annual newsletter ('Kapisen') when possible. Receives free copy of the newsletter and may be eligible for reduced prices of certain of PCA's publications. Eligible for nomination to PCA committee positions and to vote in elections.

Subscribing Member:

Attends Annual General Meeting, eligible to vote in committee elections. Receives free copy of the bi-annual newsletter ('Kapisen').

Corporate Member:

By supporting PCA financially you will be helping towards its goal of furthering plant conservation in Seychelles. In return PCA can add your logo to the bi-annual newsletter, 'Kapisen' and will present you with a certificate showing the years for which you support the work of this NGO.

PCA Activities

Currently activities include:

- Providing information and producing publications about Seychelles native plants.
- Providing advice and information on vegetation rehabilitation techniques and protocols.
- Providing advice on propagation of native species.
- Increasing awareness about plant conservation through co-organizing and participating in appropriate workshops, conferences, training programs, etc.
- Increasing awareness about plants and plant conservation through field excursions in small groups.
- Making links with other NGOs and with research partners, both local and overseas.
- Participating in plant conservation research programs as appropriate.

Reasons for wanting to join PCA

Skills and experience that you may be able to contribute to PCA
